DATE: 1/23/2020

**SUBJECT: APPROVAL TO RECORD AND PAY PRIOR YEAR EXPENDITURES AND
APPROVAL OF BUDGET ORDINANCE AMENDMENT B200318 FOR
WORKFORCE DEVELOPMENT**

BACKGROUND

The Workforce Development (WFD) Department's annual budget consists of Workforce Innovative Opportunity Act (WIOA) Title I funds which are awarded annually for a minimum of two years, as well as any additional funds that may be allocated for special activities throughout the year. Each year, once the annual audit has been completed, the County must recognize any unused WFD funds from the prior year. For FY2019 the amount to be recognized is \$2,545,400.

In addition, FY2020 awards received to date total \$354,000, resulting in a total budgetary increase of \$2,899,400. Funds will be utilized for program services and program administration.

A portion of this total budget is to cover expenditures of the prior year. WFD contracted service provider, EDSI, has delivered FY2019 services totaling \$462,112 for which they have not yet been paid. Payment is pending the state's audit of EDSI files. Upon audit completion, all allowed costs will become payable and any disallowed costs per the audit will not be paid. The total FY2019 payable amount will not exceed \$462,112 per contracted terms. Any disallowed costs will be adjusted through an accounting entry.

RECOMMENDATION / PROPOSED ACTION

1. The Board of Commissioners is requested to approve Budget Ordinance Amendment B200318 to recognize FY2019 revenue totaling \$2,545,400 and FY2020 newly awarded revenue totaling \$354,000 for WFD program services and program administration.
2. Board of Commissioner approval is requested to recognize the \$462,112 prior year expenditure amount

along with the off-setting liability. Upon notification from the state, the County will pay EDSI for allowable costs up to \$462,112. Any disallowed costs will be adjusted through an accounting entry.

SUBJECT: FY2020 Budget Amendment and Prior Year Invoices

This Memorandum is to request the following actions:

2. Recognize an increase of \$354,000 in additional State funding allocations.

The Workforce Development budget consists of WIOA Title I funds, which are awarded annually, plus any additional funds received for special activities throughout the year. Since these allocations are for a minimum of two years, the Workforce Development budget will always include carryover funds from the prior fiscal year.

The Workforce Development FY2020 budget was developed based on an estimate of the annual allocation amount plus, an estimate of the dollar amount for carryover funds. The Department did not receive the finalized actual allocation amounts from the State until October 11, 2019. ENGINEERING AND INFRASTRUCTURE DEPARTMENT

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF FEBRUARY 3, 2020

TO: BOARD OF COUNTY COMMISSIONERS

**FROM: JEFFERY P. BROWN, PE, ENGINEERING & INFRASTRUCTURE
DIRECTOR**

DATE: 1/29/2020

**SUBJECT: CONSIDERATION OF CONTRACT FOR HOPE MILLS LIBRARY BOILER
REPLACEMENT AND CHILLED WATER LINE REPAIR**

BACKGROUND

The FY20 Capital Improvement Plan (CIP) identified the replacement of the Hope Mills Library Boiler as a priority. In July, Engineering & Infrastructure (E&I) staff contacted Progressive Design Collaborative, LTD (PDC), to perform the design for the replacement of the boiler. During the design phase, the engineering team discovered a chilled water line that was previously damaged. It was determined that the boiler replacement and chilled water line repair should be performed at the same time to reduce impacts to the facility. This would also provide some cost savings through reducing contractor mobilization cost to the project location.

The project was advertised electronically on the Cumberland County Vendor Self Service site. The project pre-bid meeting was held on November 20, 2019. The bid date was advertised for December 5, 2019. The certified bid tab and letter of recommendation to award the project from PDC are attached. The lowest, responsible and responsive bid was provided by Harrelson Mechanical Contractors, Inc. in the amount of \$120,266. This bid amount includes the acceptance of bid alternate #1 for the repair of the chilled water pipe. Budgeted funds are available for the completion of this project. The Hope Mills Library Boiler and the repairs to the Detention Center Cooling Tower were both budgeted in Minor Building Systems within the CIP for \$96,000 each. The repairs to the Detention Center Cooling Tower were under-budget and completed at a cost of \$45,540. Therefore, the remaining funds from the Detention Center Cooling Tower project will be used for the overage of the Hope Mills Boiler project and the replacement of the chilled water line.

RECOMMENDATION / PROPOSED ACTION

The Engineering and Infrastructure Director and County Management recommend that the Board of Commissioners approve the following recommendations:

1. Accept the bids and award a contract to the lowest, responsible and responsive bidder Harrelson

Mechanical Contractors, Inc. in the amount of \$120,266.

2. Establish a contingency in the amount of \$10,000 to be used for additional work recommended by the E&I Director and approved by the County Manager.

OFFICE OF THE COUNTY ATTORNEY

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF FEBRUARY 3, 2020

TO: BOARD OF COUNTY COMMISSIONERS

FROM: COUNTY ATTORNEY

DATE: 1/30/2020

SUBJECT: CONSIDERATION OF TRANSFER OF THE 707 AND 711 EXECUTIVE PLACE BUILDINGS TO THE HOSPITAL

BACKGROUND

On November 20, 2017, the Board approved the transfer of the E. Newton Smith and Executive Place facilities to Cumberland County Hospital System, Inc., (the "Hospital") pursuant to G.S. §131E-8 and subject to certain conditions. At that time the county attorney recommended that the Executive Place facilities not be transferred due to the portion of the property that was being leased to Alliance Behavioral Healthcare, now known as Alliance Health, because the statute only allows the County to transfer real property to a non-profit corporation without consideration if the property is to be used for hospital purposes. Commercial leasing is not a hospital purpose. The Board approved the transfer of the E. Newton Smith facility April 3, 2018.

Alliance Health continues to lease a portion of the premises and has the right to continue its lease through December 31, 2023. The Hospital now wishes for the transfer to be made subject to the lease to Alliance Health in order to renovate the building for the use in the Hospital's residency program. The transfer must be made subject to the county's reservation of the leasehold interest. The smaller building located on the property is used by the County as offices for its Community Development Department and Senior Community Service Employment Program. The County will retain a leasehold interest in that smaller building for so long as it uses the building for its governmental purposes, not to exceed 90 years. The County and the Hospital must also enter into an agreement on how maintenance of the premises will be shared due to the County's continued possession of the leasehold interests.

The statute requires the Board to adopt a resolution approving the transfer after publishing notice of intent at least ten days prior to adoption of the resolution. The proposed notice is attached.

RECOMMENDATION / PROPOSED ACTION

County Attorney recommends that the Board direct the notice be advertised for the adoption of the Resolution of Conveyance at the Board's Regular Meeting February 17, 2020.

The conveyance of the building with the address of 711 Executive Place will be subject to the reservation of a leasehold interest in a portion thereof. The conveyance of the building with the address of 707 Executive Place will be subject to the reservation of a leasehold interest in the entire building. This conveyance will be made pursuant to the terms and consideration stated in the 2006 Transfer Agreement recorded in Book 7225 at page 441 in the Cumberland County Registry.
