MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF NOVEMBER 1, 2021

TO: BOARD OF COUNTY COMMISSIONERS

FROM: VICKI EVANS, FINANCE DIRECTOR

DATE: 10/20/2021

SUBJECT: APPROVAL TO PAY PRIOR YEAR INVOICES

BACKGROUND

There is a period of time after June 30th of fiscal year-end in which transactions of the prior fiscal year will continue to be processed (typically until the third week in August). After that cutoff date has passed, a department may still receive a vendor invoice that is payable for services that were rendered, or goods were received in the prior fiscal year. When that occurs, approval by the Board of Commissioners is required prior to payment. The following departmental invoices meet those criteria:

Department: Community Development

Vendor: Family Endeavors

Invoice Date: July 15, 2021

Total Amount: \$71,154.12

Department: Animal Services

Vendor: NC Department of Administration - Courier Service

Invoice Date: May 18, 2021

Total Amount: \$110.95

RECOMMENDATION / PROPOSED ACTION

Management is requesting approval to pay a prior year invoice for Community Development totaling \$71,154.12 and an Animal Services invoice totaling \$110.95.

Memorandum

TO: Vicki Evans, Finance Director
FROM: Delores Taylor, Community Development Director *DT*
CC: Rayshonia Manuel, Business Manager *RM*
DATE: September 22, 2021
RE: Request to pay Prior year Invoice (FY21) -Family Endeavors dba Endeavors

The Community Development Department is requesting to pay a fiscal year 21 invoice for Family Endeavors.

Community Development awarded subrecipients funding to provide Public Services support for COVID-19 in the areas of rental/utility assistance. The invoice is outstanding for the period of June 1-30, 2021.

Invoice #	Invoice Date	\$ Amount
June 2021 billing	7/15/2021	\$ 71,154.12

Public Services is a grant supported program (CDBG-CV) and the vendor did send the invoice (via email) to the department as requested (via email) which was on or before July 15, 2021. The vendor notified the department about the missed invoice September 2, 2021. Upon further research, the ITS department informed us that the invoice was rejected by the Country's server on July 15th, because it exceeded size limits.

Payment of this invoice will not have a significant impact on Community Developments FY22 budget and there is enough funding available in the current budget to cover these expenditures. This payment does not require a budget revision.

Community Development has implemented additional processes for periodic review of invoices for temporary staffing vendors to ensure that all invoices are paid before fiscal year end.

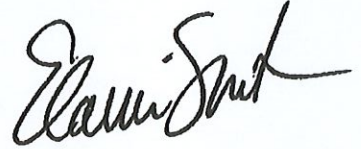

The invoice and supporting documentation are attached.

Thank you.

MEMORANDUM

PAYMENT OF FY 21 INVOICE

TO: VICKI EVANS, FINANCE DIRECTOR
FROM: ELAINE SMITH, ANIMAL SERVICES DIRECTOR
DATE: SEPTEMBER 27, 2021

SUBJECT: PAYMENT OF FY 21 INVOICE

Vendor Name: NC Dept of Admin. – Courier Service
Vendor #: 3957
Amount: \$110.95
Invoice #: 21040301
Org: 1014250
Object Code: 533520

Invoice for Courier Service was keyed for payment in June 2021; however, the vendor number was entered incorrectly, and the check was made payable to the wrong department. Animal Services was notified of the error in September 2021, after the closing of FY21. Animal Services verified services were provided and payment for this invoice was not received. FY21 closing budget should not be affected by the error as the funds were accounted for within the Fiscal Year. To help prevent future incidents staff will verify entry of invoices for accuracy.

BUDGET DIVISION

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF NOVEMBER 1, 2021

TO: BOARD OF COUNTY COMMISSIONERS

FROM: AMY CANNON, COUNTY MANAGER

DATE: 10/26/2021

**SUBJECT: APPROVAL OF BUDGET ORDINANCE AMENDMENTS FOR THE
NOVEMBER 1, 2021 BOARD OF COUNTY COMMISSIONERS' AGENDA**

BACKGROUND

REGARDING THE FOLLOWING ITEMS #1-#3 PLEASE NOTE:

Each fiscal year County departments may have projects that have been approved and initiated but were not complete by the fiscal year end (6/30/21) or items ordered that had not been received by fiscal year end. These projects or items were approved in the Fiscal Year 2021 budget; however, the money was not spent by June 30, 2021.

The following amendments seek to bring those funds forward from FY 2021 into the current fiscal year, allowing departments to complete and pay for these projects and items. This revision is not using 'new' funds but are recognizing the use of FY21 funds in FY22.

General Fund 101

1) Social Services, Engineering, and Planning – Budget Ordinance Amendment B220653 to re-appropriate funds in the total amount of \$128,056

The Board is requested to approve Budget Ordinance Amendment B220653 to re-appropriate funds in the amount of \$128,056. These funds are for computer hardware that was ordered for Social Services, Engineering, and Planning in FY21 but not received until FY22.

Crown Center Fund 600

2) Crown Center – Budget Ordinance Amendment B220667 to re-appropriate funds in the total amount of \$373,439

The Board is requested to approve Budget Ordinance Amendment B220667 to re-appropriate funds in the amount of \$373,439. These funds are for the Crown Swale project that was started in FY21 but will not be completed until FY22.

Solid Waste Fund 625

3) Solid Waste Administration/Solid Waste Container Sites – Budget Ordinance Amendment B220859 to re-appropriate funds in the total amount of \$57,157

The Board is requested to approve Budget Ordinance Amendment B220859 to re-appropriate funds in the amount of \$57,157. These funds are for concrete shingle pad project that was started in FY21 but will not be completed until FY22.

**SUBJECT: PUBLIC HEARING ON PROPOSED ECONOMIC DEVELOPMENT
INCENTIVES FOR "PROJECT BRONCO"**

BACKGROUND

This public hearing is to consider an economic development incentive package for "Project Bronco". Project Bronco is a US based company, considering the Military Business Park for a new distribution facility. If selected, the proposed project would:

- Create at least 500 new jobs, to be located at a facility in Cumberland County (Fayetteville), by 2023
- Pay an average wage exceeding \$32,969 per year
- Invest more than \$100 million in real estate improvements and equipment

After a number of months of consideration, out of an abundance of caution, the Company has asked Piedmont Natural Gas to relocate an established flare site (used when transmission line maintenance is required) further from their proposed facility. The gas company is agreeable, but as this was a relatively recent request, they have not yet been able to establish the preferred location or estimated cost. Project Bronco has agreed to pay up to \$5 million toward the relocation. To limit the Company's risk, and in keeping with Cumberland County's commitment to economic growth, we are asking the County and City to each commit up to \$1.25 million to cover potential cost overruns. These funds would only be expended if the company's documented costs exceed \$5 million.

Provided the company has met the requirements for investment and job creation, Cumberland County would:

- Provide a grant equal to 50% of the qualifying expenses exceeding \$5 million, with a maximum grant of \$1.25 million.
- The City of Fayetteville is holding a public hearing at 5:00pm November 1 to consider approving the same.

If successful, Cumberland County would benefit from the tax revenue generated by the facility, economic

activity stimulated by its construction, and wages paid to the employees. At a minimum, we project:

- Cumberland County would receive more than \$800,000 in annual tax revenue
- The City of Fayetteville would receive more than \$500,000 in annual property tax revenue
- More than \$16,000,000 in annual wages would be paid to employees

RECOMMENDATION / PROPOSED ACTION

Hold the public hearing for "Project Bronco". After the public hearing, consider approval of an incentive grant, not to exceed \$1,250,000. To receive the grant the company must meet the performance goals as set in the public notice dated October 22, 2021, which is an attachment to this item.

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF NOVEMBER 1, 2021

TO: BOARD OF COUNTY COMMISSIONERS

FROM: COUNTY ATTORNEY

DATE: 10/27/2021

SUBJECT: FINAL REPORT ON 2020 CENSUS IMPACT ON COMMISSIONER DISTRICTS

BACKGROUND

The official 2020 census population for Cumberland County is 334,728 with 129,486 persons residing in Commissioner District 1 and 205,242 persons residing in Commissioner District 2. The ideal electoral population for District 1 is 133,891. The 2020 population of District 1 is a deviation from the ideal of 3.28%. The ideal electoral population for District 2 is 200,837. The 2020 population of District 2 is a deviation from the ideal of 2.14%. There is no statutory allowance for the percentage of deviation from the ideal; however, the North Carolina Supreme Court has established that a deviation which exceeds 5% in a single district is not permissible. Under that analysis, no redistricting is necessary.

The statutory requirement that precinct boundaries now follow census tract boundaries resulted in the State Board of Elections making changes that resulted in eight precincts being split since the 2010 redistricting. The only split that affects residential addresses is a split of Cliffdale 02 that shifts eleven residential addresses in Cliffdale 02 from District 2 to District 1. No other splits affect any residential addresses; however, making the North Regional Library the polling place for Cross Creek 23 results in voters residing in District 1 voting at a polling place within their precinct but located in District 2. Elections Director Robertson recommends eliminating these splits if possible. Unfortunately, G.S. 153A-22 only authorizes a board of commissioners to change commissioner district boundaries if the board finds there is a substantial imbalance in the populations in the districts. The county attorney advises against the board making this finding with the deviation percentages being as low as they are. If the board wishes to eliminate these split precincts, it may request a local act from the legislature to allow Cumberland County to make these changes to the commissioner district boundaries before the 2022 election.

RECOMMENDATION / PROPOSED ACTION

County attorney advises Board not to change commissioner district boundaries except by a local act by which the General Assembly authorizes the board to do so for the purpose of eliminating the split precincts without finding any substantial imbalance of the population within the districts.
