AMERICAN RESCUE PLAN

MEMORANDUM FOR AMERICAN RESCUE PLAN COMMITTEE AGENDA OF MAY 6, 2024

TO: AMERICAN RESCUE PLAN COMMITTEE

FROM: TYE VAUGHT, CHIEF OF STAFF

DATE: 4/30/2024

SUBJECT: CONSIDERATION OF FUNDING FOR AN OPIOID EDUCATION PROGRAM AND ASSOCIATED BUDGET ORDINANCE AMENDMENT #B241196

BACKGROUND

In light of the ongoing challenges associated with opioid misuse within our community and the specific vulnerabilities faced by our youth, there is a compelling need to enhance educational and preventative measures against substance abuse in the Cumberland County. While the opioid settlement funds have been instrumental in addressing various aspects of substance abuse, there remains a pronounced gap in resources specifically tailored for education and prevention among youths.

Discussions and concerns have emerged regarding the utilization of opioid settlement funds, particularly around their allocation towards broader substance abuse problems. However, the enduring need for targeted educational programs has become increasingly evident. By investing in our children's education on this critical issue, we aim to provide them with the knowledge and tools necessary to make safer choices and recognize the dangers associated with opioid use.

The proposed funding will be directed towards:

- Developing and implementing comprehensive opioid education curricula across schools in the county.
- Training educators and staff on effective delivery of opioid-related educational content.
- Organizing community outreach programs to extend education beyond the classroom and engage families and community members.

Staff is requesting an allocation of \$300,000 from the American Rescue Plan funds to support an Opioid Education Initiative targeted at students within Cumberland County. This initiative aims to significantly bolster

our efforts in educating young individuals about the dangers of opioid use and effective strategies for prevention.

RECOMMENDATION / PROPOSED ACTION

Staff requests that the funding recommendation and Associated Budget Ordinance Amendment #B241196 be forwarded to the May 9, 2024, Board of Commissioners Agenda Session as an Item of Consideration.

AMERICAN RESCUE PLAN

MEMORANDUM FOR AMERICAN RESCUE PLAN COMMITTEE AGENDA OF MAY 6, 2024

TO: AMERICAN RESCUE PLAN COMMITTEE

FROM: TYE VAUGHT, CHIEF OF STAFF

DATE: 4/30/2024

**SUBJECT: ARPA STATE AND LOCAL FISCAL RECOVERY FUNDS (SLFRF)
INTERIM FINAL RULE (IFR) AS OF MARCH 29, 2024**

BACKGROUND

As an update on the State and Local Fiscal Recovery Funds (SLFRF) Interim Final Rule (IFR) as released by the U.S. Department of Treasury in accordance with the American Rescue Plan Act (ARPA). Following the Treasury's latest guidance and the informative session held by the National Association of Counties (NACo), several critical clarifications and operational directives need to be highlighted.

As of the most recent update on March 29, 2024, the Treasury has confirmed that no Final Rule will be issued for the SLFRF under the ARPA. The Interim Final Rule, therefore, will serve with the same authority and applicability as a Final Rule would. The Treasury's updated FAQs, released alongside the statement regarding the IFR's finality, introduce several updates that address common questions and issues raised by recipients of the funds. Notably, the updated FAQs provide clearer instructions on permissible expenditures, reporting requirements, and the flexibility of fund usage within the prescribed limits of the ARPA.

On April 12, 2024, NACo, in collaboration with the Treasury's SLFRF program staff, hosted a listening session that was instrumental in dissecting these updates. The session provided a platform for local governments to engage directly with Treasury officials, ensuring a deeper understanding of the interim rule's implications and the strategic use of the recovery funds. The key points of discussion were centered around optimizing fund allocation towards sustainable community development and addressing areas most impacted by COVID-19.
